

# COMMUNITY BABY SHOWER

Give to Grow 2024

Nemaha County Community Health Services

## WHAT IS THE COMMUNITY BABY SHOWER?

The Community Baby Shower was created to provide new and expecting parents with education on safe sleep, smoking, breastfeeding, and mental health as well as connect them with local resources. We also sent all our families home with a variety of essential baby supplies and educational resources.

## SHOWER INSIGHTS

This event connects families to more than **10 local resources** available to them **here in Nemaha County**.

Our shower has served around **40 families** each year. This number fluctuates with the amount of children born.

Last year, we gave away over **900 diapers** to families in Nemaha County through the Community Baby Shower.

In 2024, we had around **35 donors**, both individuals and businesses, provide over **100 large and small essential baby items** to mothers in our community.

## COMMUNITY SUPPORT

The Community Baby Shower started in 2023, and this year we are excited to celebrate the 3rd annual event.

Our community has demonstrated incredible support for this initiative since the beginning. Thanks to this generosity, we have been able to provide numerous fantastic items, including strollers, car seats, diaper bags, diapers and wipes, and much more.

**Above:** Small giveaway prizes including a diaper bag, bathtub set, breastfeeding set, tableware set, and more. **Right:** Items sent home with every family that attends, including a package of diapers, wipes, a sleep sack, a sleeper, and a thermometer duck.

## WAYS GET INVOLVED

1. Save the date for the 2025 Community Baby Shower- **April 12, 2025**
2. Follow our social media listed below to be the first to see our Amazon Wishlist
3. Be a part of our event as a vendor!
